May 7, 2008

Dear Preschool Director,

### **RE: Look At Big School Day June 25, 2008**

We are pleased to enclose flyers for the school's LABS Day.

On this day, we invite prospective 2009 kindergarten parents to come to the school for an hour or two to have a look around and be entertained by our students. This is not an orientation day, but more of a glimpse into what this school has to offer.

Orientation Days, which are attended by both the 2009 kindergarten children and their parents are held later in the year and more information will be forwarded closer to the event. At orientation days, the children will sit in on a kindergarten class while their parents gather in the school hall to learn more about the teaching and learning programs we offer.

We ask that you display the enclosed coloured flyer on your community noticeboard and the black and white copies are for parents to take away with them. The RSVP date for LABS Day is June 19, 2008.

Thank you for your assistance and we very much look forward to meeting the parents and children from your preschool who will be attending Normanhurst West P.S. in 2009.

Yours faithfully,

Helen Georgiou  
Assistant Principal
