

BAND NEWS

PIZZA PARTY

Remember, parents, you won't have to pack lunches this Tuesday March 17 as our annual Band Pizza Lunch will be held in the hall. **All** band members (new and not-so-new) are invited to share pizza and a special screening of the 2008 Band Camp DVD.

TRAINING BAND

Due to the popularity of the Concert Band's new "night before" email reminder scheme, the Training Band will also receive emails prior to practice on Tuesdays. Of course, all important info will still be published in the newsletter every week, so don't forget to check.

BAND WORKSHOP

A note will be sent home shortly about our first Band Workshop for the year, Sunday May 3. This is a compulsory activity for all band members, and a fantastic way to get the bands up to speed, so please make a note in your diaries.

MONEY MONEY MONEY...

Did your Term1 Band invoice make its way home last week? Or is it still trapped under something heavy? If you haven't laid eyes on yours yet, please fossick around in bags, music cases, pockets, pencil cases etc, as Treasurer Angela would love to see them all come in on time.

COMMUNICATION

For all band queries not answered by our fabulously informative newsletters, please contact our helpful convenors Beci Armytage or Karen Page.
