

## **Come and Sing Together**

Trad

A round that can be sung in up to 16 parts.

If you dance then you must have boots of shining leather,  
Money in your pocketbook, in your cap a feather.  
But if you would sing with me,  
You don't need a cent you'll see.  
So, come and sing together!

## **Swing the World with Harmony**

© Ros Thomas

A groovy little song that can also be sung as a round.

I wanna sing it, I wanna swing it with you.  
I wanna bring it to a world so blue.  
So let's get singin',  
We'll soon be swingin' the world with harmony.

## **Batman Shimmy**

© Peter Butler & Kathy Roberts

Shimmy, shimmy, shimmy, shimmy, shimmy, shimmy, wow!

Biff! Bop! Bang! Pow!

Batman said, "Robin's dead. Who's going to help me now?"

## Good Riddance (Time of Your Life)

© Billie Joe Armstrong

From the Green Day album Nimrod.

Another turning point, a fork stuck in the road.  
Time grabs you by the wrist, directs you where to go.  
So make the best of this test, and don't ask why.  
It's not a question, but a lesson learned in time.

It's something unpredictable, but in the end it's right.  
I hope you had the time of your life.

So take the photographs, and still frames in your mind.  
Hang it on a shelf in good health and good time.  
Tattoos of memories and dead skin on trial.  
For what it's worth, it was worth all the while.

It's something unpredictable, but in the end it's right.  
I hope you had the time of your life. x2

# Hushabye Mountain

© Richard Sherman & Robert Sherman

From Chitty Chitty Bang Bang.

A gentle breeze from Hushabye Mountain  
Softly blows o'er Lullaby Bay.  
It fills the sails of boats that are waiting --  
Waiting to sail your worries away.

It isn't far to Hushabye Mountain  
And your boat waits down by the quay.  
The winds of night so softly are sighing --  
Soon they will fly your troubles to sea.

So close your eyes on Hushabye Mountain.  
Wave good-bye to cares of the day.  
And watch your boat from Hushabye Mountain  
Sail far away from Lullaby Bay.

So close your eyes on Hushabye Mountain.  
Wave good-bye to cares of the day.  
And watch your boat from Hushabye Mountain  
Sail far away from Lullaby Bay.

# Sing!

© Ben Lee

From the album The Rebirth of Venus.

Hey you, back against the wall,  
Wonderin' if the world will fall apart.  
Hey you, cryin' in your drink  
Looking for an answer to what's up in your heart.

You can find it anywhere (x5)  
Sing! It's your favourite song  
When you're singin' along,  
Nothin' is wrong  
Everybody just sing for the people who can't  
It'll help them survive.  
You are free and alive.  
Everybody just sing!

Hey girl, what's the matter now?  
Feel like you shoulda did somethin' else?  
Hey you, waiting in the shallow  
Looking for a reason - you can find it in yourself.

(Chorus)

Lalalalala (lots)

(Chorus)

Sing! It's the secret reveal,  
If you want to get real, if you want to feel.  
Everybody just sing for the people who can't  
It'll help them survive.  
You are free and alive.  
Everybody just sing!
